

NCR RealPOS™ Flip-Top Cash Drawer

Security and Robust Design in a Compact Footprint

- Space Saving Design
- Supports Multiple Currencies
- Ideal for Seated Cashiers

The NCR RealPOS flip-top cash drawer is ideal for those seated cashier environments where real estate is at a premium. Its space saving design and unique top access design make it user-friendly and enable it to be stored in environments where a front opening drawer is not desirable.

The flip-top drawer features the convenience of a large cash drawer, including a large media slot with under-the-till storage area, and adjustable bill positions and removable dividers making it suitable for Euros, Sterling, and many other currencies. The NCR RealPOS flip-top cash drawer does not sacrifice security, featuring a 2-position lock and a lockable till lid that encloses media safely.

These features make the NCR RealPOS flip-top cash drawer a flexible, user-friendly complement to any POS solution.
